

Lake Sawyer Hawks
April 2, 2015
Cedar Grange #534---Maple Valley

6:30-----Silent Auction of Mr. Bently's remaining radio control equipment

7:05-----Meeting called to order by Marlow Anderson (president)---Mrs. Andrea Chay (a former employee of the FAA) and her husband were introduced to the club---she provided an on the screen presentation of FFA information and how it related to model aircraft---questions and comments were entertained---she suggested www.faa.gov/usa as an important resource for information---two brochures of information were distributed---as an effort of appreciation she received much applause and a club hat

7:40-----Silent Auction Continued

8:00-----Meeting called to order by Marlow Anderson---there were 31 persons present---all members introduced themselves---two new members were welcomed into the club---the club now has 72 members---the meeting minutes for March were read by Robert Burks (secretary)---one correction was made and then the minutes were approved and accepted as corrected---Steve Green (treasurer) gave a financial report

8:10-----General Discussion---a **motion was made and passed** requiring the development of an annual budget (structured budget) for the club---Steve Green will coordinate the budget planning---the noise (decibel levels) regulations of the club were discussed---a **motion was made and passed** requiring the club rules sign to be moved from its present location (on the side of a storage unit) to an area position clearly visible by the parking area---a tentative date of April 25 was set for cleaning the walls of the storage containers---Dan Vencil requested that his name be taken off the sign at the gate - - a **motion was made and passed** allowing the use of an email (by the treasurer) to be used as authorization to fly at the field until the mailed official sticker arrives to the club member in the mail---at our next meeting Randy Ling (vice president) will have a presentation on decibel levels which will include how to manage engine and motor decibel levels---it was noted that the **Swim Team Award Plaque** now has six names of it---Richard

Weaver (float fly coordinator) has acquired a double hull boat to replace the boat presently used

8:40-----Show and Tell---Thomas Richards (and Gerry Drake) brought electric quad-copters (four engines) XQ-5 models---Dennis Sivak brought a scratch built rubber powered helicopter

8:50-----Meeting Adjourned

The silent auction was continued for 15 minutes---the auction included a crashed airplane (Corsair) that was found resting in a tree at the field---at **9:15** auction items were purchased and the club dispersed
