Randy presented information about safety when you have a battery installed in your plane and are waiting to fly. Be cautious and restrain your plane until you are ready to fly. Charlie Glasscock provided information about safely handling an RC helicopter in the shop. Charlie unfortunately got his hand caught in the spinning rotor and received significant injuries to one hand. Always be careful when rotors or propellers are spinning.

Steve Ashmore reported on the Day at the Museum. On November 19th Lake Sawyer Hawks will sponsor a Flying Model Expo at the Museum of Flight. The event runs from 9:00am to 4:00pm.

No new business was reported

Dennis Sivak talked about his model AT-6 and his experience flying in a full-scale AT-6.

At 10:59 Randy Ling adjourned the meeting.
