

Lake Sawyer Hawks Meeting Minutes
June 24, 2023
Marlow Anderson Airfield, 24041 276th Ave SE, Maple Valley, Washington

General information

Pilots are reminded to please sign in on the time sheets when arriving and leaving the field. Time sheets are turned into King County each month for tracking field usage.

Note that there is no club garbage pick-up at the field. You are reminded to take your trash home for disposal. When driving at the field, pilots are reminded that cars are to remain on the gravel roadways and parking areas at all times when at the field.

1:00 pm –Randy Ling President called the meeting to order.

General Discussion—Randy Ling reported that the current membership stands at 53 with 46 open members, 5 youth, and 2 non-flying members.

Expenses since last meeting are \$1240.81, for upgrading one side of the charging station to 24V D/C. Continuing expenses of field lawn care supplies, porta potty service, and treatment for wasps.

New Business

Randy reviewed the proposed calendar of club meetings and events for the remainder of the 2023 calendar.

Club meetings are scheduled for:

August 5, at the field, club fly-in and potluck

September 2023

October 2023 nominations of club officers

November 2023 election of club officers

Other activities for November Museum of Flight display

Additional News--

Randy reviewed the current FAA status on the upcoming requirement for Remote ID on RC aircraft which will come into effect September 16, 2023.

Randy noted that the FAA FRIA request for Marlow Anderson field submitted April 28, 2023 through AMA will be considered approved until further notice.

Randy reviewed the AMA request for comments on flight altitude limits as specified in the recent release of the 2023 FAA Reauthorization Bill.

Randy informed all that a new field use agreement with King County remains in process with the county. The existing King County agreement continues to remain in effect in the meantime.

Safety Minute

Randy reviewed the external connector required to plug into and use the new 24V D/C charging station, (XT60 Male connector).

The meeting was Adjourned at 1:30 pm
