

## Lake Sawyer Hawks RC Club Meeting Minutes

May 3, 2007

Maple Valley Signs---Maple Valley

7:05-----Meeting called to order by Marlow Anderson (president) ---all members introduced themselves---there were 31 persons present

7:10-----The minutes from the April meeting were read by Robert Burks (secretary) ---the minutes were accepted and approved as read

7:15-----**The Treasurer's Report** was given by Charles Vencill (treasurer) disclosing a balance of \$2858.68

7:20-----**General Discussion**---Dick Weaver has built a picnic table which is now at the field---there is no smoking on the premises; smoke before you enter the gate---each member is responsible to dispose of their own trash; if you brought it to the field then you take it from the field---there is no new information on the development of the Lake Sawyer Regional Park

7:40-----**New Business**---Dick Weaver handed out a survey regarding flight tables---the club voted to give Dick Weaver the money to begin construction of three 4x5 flight tables and three 4x8 tables---Steve Verdick is building a flight table similar to the AMA pattern used by the Sequim club---Ted Moser and Dick Weaver shared stories about Para gliders who landed at or near the runway at Marlow Anderson field and a fun fly at Zella Washington---David Burdick is coordinating the grading and graveling of the necessary road at the field

8:00-----**Show and Tell**---Vince Caluori (representing Todd's Models) gave an informative presentation about the new technologies involved in the 2.4GHz radio control modules---they brought the Futaba 6EX-2.4GHz and the Spektrum DX7-2.4GHz and discussed some of the features of each---David Del Pozzi brought a Mini Pulse XT electric---Dave Temby brought two motors (a Saito 220 twin cylinder and a Saito 325 five cylinder)---Ted Moser brought a Son of Kaos (built from kit) which sold for \$89.00

8:30-----**Raffle** by Marlow Anderson

8:40-----Motion to adjourn was made and accepted
