

Lake Sawyer Hawks Meeting
January 6, 2011
Cedar Grange #534---Maple Valley

Membership renewals began at 6:45 and continued until 7:10 when the meeting was called to order.

7:10-----Meeting called to order by Marlow Anderson (president)---all members introduced themselves---there were 31 persons present---the meeting minutes for December 4, 2010 were read by Robert Burks (secretary) ---the minutes were approved and accepted as read---a current financial report was given by Charles Vencill (treasurer)

7:15-----General discussion---the support and participation of the ladies for the December potluck dinner meeting was acknowledged and applauded---club hats are for sale at \$10 each---the strong winds caused some door damage at the field---padlocks at the field continue to be a problem, a new lock has purchased---if a club member happens to get locked in or out of the field, place a telephone call to Marlow Anderson or Dick Weaver (vice president)

7:25-----More general discussion---in the January Model Aviation magazine there is an article about In The Air---Young Hawks Get Their Wings; it is about how the Lake Sawyer Hawks participate in the Maple Valley Kids Festival---Dick Weaver reported about the float fly program of 2010--- 237 pilots flew, 592 man hours at the site, 17 positive comments logged and one negative, 62% of flights were electric aircraft---a discussion regarding the expansion of flying days was followed by a motion to not change the current policy; the motion was passed—Dick Weaver explained his participation in the program Wings Across America 2008—History In The Making

7:40-----Show and tell---Dennis Sivak brought pictures of his PTI-Old Trusty-a WWII Aircraft, weighting about 20 pounds, powered by a Saito four stroke---he also brought a scratch built gym electric flyer, made from 3mm depron weighting about 4 oz---Thomas Richards brought a scratch built electric Sopwith Camel gym flyer

8:10-----Raffle by Dick Weaver

8:20-----Meeting adjourned
