

Lake Sawyer Hawks Meeting

October 4, 2012

Cedar Grange #534---Maple Valley

7:05-----Meeting Called to Order by Richard Weaver (vice president)---all members introduced themselves---there were 18 persons present---the minutes from the September meeting were read by Robert Burks (secretary)---the minutes were accepted and approved as read---a financial report was given by Charles Vencill (treasurer)

7:10-----General Discussion---garbage can at the field needs to be emptied---any club member is encouraged to take the trash from the field and dispose of it---the portable toilet at the field is in need of maintenance---there are numerous flying insects around the buildings at the field that need to be eliminated---the development of a plan to accommodate small electric aircraft combat flying was discussed---a motion was made to develop a plan for 2.4GHz pilots club membership cards placement during field use; some sort of holder needs to be made (the motion did not receive an approval vote, it died on the floor)---a suggestion was made for club members to place duplicates of their club membership (AMA cards) in a folder in the club building

7:30-----Show and Tell---Thomas Richards brought an electric foam built park flyer and two turbine style engines (an electric turbine he is building and a glow powered Rossi 61 turbine, 95db)---Roger Steyaert brought an electric foam stager wing bi-plane

7:40-----Raffle---by Dick Weaver---items from RC Hobbies (Covington) and donations

8:00-----Meeting Adjourned
