

Lake Sawyer Hawks
September 4, 2014
Cedar Grange #534---Maple Valley

7:10-----Meeting Called to Order by Marlow Anderson (president)---there were 14 persons present---the minutes for the July meeting were read by Robert Burks (secretary)---the minutes were approved and accepted as read---a financial report was given by Charles Vencill (treasurer)

7:15-----General Discussion---Richard Weaver (float fly coordinator) reported that today's float fly became difficult as the winds intensified and white caps appeared on the waves from the north---there were eight pilots participating---He summarized the Lake Wilderness Kid's Day Festival as successful with the building of 275 Delta Dart airplanes and successful flying of 80%---the Delta Dart kit paper appears to be of poor quality---the date for the club Christmas party will be established soon

7:30-----General Discussion Continued---it was reported that an airplane had crashed during flying on Saturday---club procedures to respond to such a situation were reviewed---it was noted that the club has a fire extinguisher stationed on the field at all times---club rules (which are posted at the field) require everyone flying a gas powered plane to have their own fire extinguisher---a motion was **made and passed** to replace the present fire extinguisher at the field---another motion was **made and passed** to allow the purchase of fertilizer for the field---Steve Ashmore will coordinate the purchase of the fire extinguisher and fertilizer

7:55-----Show and Tell---Randyl Britten brought an electric foam Bush Master Cub he purchased from Hobby King---about 4 1/2 pounds with a wing span of 61 inches

8:05-----Meeting Adjourned
