

Lake Sawyer Hawks
April 7, 2016
Cedar Grange---Maple Valley

7:00-----Meeting Called to order by Randy Ling (president)---there were 24 persons present---new members were introduced and welcomed---the minutes for the March meeting were read by Dennis Sivak (acting secretary)---the minutes were approved and accepted as read---Steve Green (treasurer) gave a financial report

7:08-----General Discussion---Steve Ashmore and Peter McCowen did some noise measurements at the field using a glow OS61 engine. The engine produced 81db.

Calculations from these readings to the property lines of the neighbors, indicated sound levels would be approximately 37 db. They have prepared a map of this study which will be available on the LSH web site.

The public meeting date for permit renewal is not yet decided (It may be the end of the month).

A motion by Steve Ashmore was made and passed to not have an open gate policy. The gate will be locked after entry except during special events.

Randy Ling suggested having an open house fun fly once per month, which he will host.

Lake Washington Float Fly Report-----there were 12 pilots, lots of W's, the wind blew until about 11:30, then dead calm. Lots of visitors stopped by and enjoyed the show. Thanks to Ted Moser for bringing the boat while Dick Weaver is recuperating.

7:30-----Show and Tell---Tom Richards bought a scratch built twin engine electric Mitsubishi-KI 46 (Dinah). He demonstrated a canopy form using an oven at 200 degrees. Tom also showed his gym flyer, AJ Hornet. Dave Temby brought a truck load of airplanes to give away. The meeting room emptied fast.

7:35-----Meeting Adjourned.
