

Lake Sawyer Hawks Meeting Minutes
September 7, 2017
Cedar Grange #534, 22531 SE 218th St, Maple Valley, WA

7:00 PM--Meeting was called to order by Randy Ling (President) welcoming all attending to the club meeting---There were 25 people present with all introducing themselves.

7:05--General Discussion—Randy Ling reported that the membership currently stands at 71 paid members for 2017—Randy reported that the field, although dry, is in great condition and that the club had recently received a compliment from King County that no noise complaints had been received so far for the year.

7:10—Randy reviewed club activity participation at local events recognizing those who had volunteered to assist at the Maple Valley Kids Day and Discovery Elementary events—Randy noted that the upcoming aircraft display event at the Museum of flight will occur on Saturday the 25th of November.

7:15—Dick Weaver reported that it had been a great Float Fly Day with light to calm winds and approximately 12 pilots attending.

7:20—New Business--club sale of donated airplane---Randy presented a Pacific Aero model manufacturing ¼ scale clipped wing monocoque 110 special. The airplane will be sold to the highest bidder, a starting price for the airplane, motor and associated details was set at \$600.00 dollars.

7:25—New Business Randy Ling presented and reviewed a new proposal to create an executive board consisting of two past club officers and a single member at large. The board would provide a club administration operational link of former officers to assist and answer questions to support the newly elected officers as well as answer questions the new officers may have regarding club operations.

7:45—Show and Tell--several aircraft where discussed--Randy Ling reviewed a free Auto Desk CAD software package “Fusion 360”.

8:00— Meeting was adjourned.
