

Lake Sawyer Hawks Meeting Minutes  
March 1, 2025  
Fairwood Library, 17009 140th Ave SE, Renton, Washington

General Information

Pilots are reminded to please sign in on the time sheets located in the club house when arriving and leaving the field. Time sheets are turned into King County each month for tracking field usage. Please note that there is no club garbage pick-up at the field. When driving to the field pilots are reminded that cars must remain on the gravel roadways and parking areas at all times.

Marlow Anderson Field is now a FRIA site.

To operate aircraft in a FRIA site pilots must carry a copy of their FAA registration and comply with all AMA safety rules.

2:30 pm- Randy Ling President called the meeting to order.

General Discussion

Randy reported the club membership is currently at 51, with 47 open members, 3 youth, and 1 non-flying member.

Total club expenses reported at this meeting were \$12.97 for the replacement of a damaged main gate lock.

Future Expenses Anticipated

Lawn mower, Field maintenance, Porta potty, Swap meet, Fly-in, Museum flight door prize.

New Business

Randy noted that starting with the April club meeting the meeting's location will be moving back to Marlow Anderson Field.

New to the meetings will be a swap meet event added to the April, May, and June meetings.

Members are reminded that the main gate chain lock combination has changed. All members should have received an email with the new combination. If you haven't received the email contact Steve Black at Lakesawyerhawks@gmail.com.

Randy proposed having a club pylon fun fly with member building their own simple and low-cost FT Bloody Wonder MKR2 (\$33.99) aircraft. if you're interested additional information is on the club web site.

Future meetings

April 1:00 pm at the field

May 3<sup>rd</sup> 1:00 pm at the field

June 7<sup>th</sup> 1:00 pm at the field

August 16 1:00 pm at the field

October meeting nominations of club officers

November club officer elections.

Meeting Activities:

Swap meet at the April, May, and June meetings.

Club fly in August 16<sup>th</sup> meeting.

Museum of flight display show November.

Safety Moment

Randy noted that the swing out window on the club house has been sealed shut to prevent accidental impact injuries with the window corners while walking up the entrance ramp up to the

entrance door.

Randy reported the existing club use agreement with King County continues to remain in effect.

Show and tell

Club member Varun showed and discussed his discovery of a small fire extinguisher formulated to extinguish Lipo battery fires. Varun will report back on testing the effectiveness of the extinguisher. Peter McCowin presented and demonstrated a small and inexpensive color FPV camera mounted inside a freewing 80mm EDF A-6 intruder cockpit which gives a almost scale pilots view looking out of the instrument panel windscreen of an A-6.

Denis Sevak showed his new acquired Eflight EC-1500 Twin aircraft.

Randy Adjourned the club meeting at 3:45 pm.
